General Report Comments: I was met by Mr. Peterson who is the owner of the dog. I saw that the dog was moved under the stoep but there is still no kennel. I asked Mr. Peterson why there is still no kennel because we are approaching winter and the dog needs to have a kennel,although the dog is on the stoep,his not sheltered from the rain. Mr. Peterson told me that the guy he asked to make him a kennel out of pellet wood is still busy and that the kennel would be finished by next week. Will follow up.
