General Report Comments: The owner has adhered to some of the welfare concerns that I have noted on my warning. The dog has been provided with shelter, was put on a running chain and was dipped to treat the external parasites. The dog still needs to put on some more weight. I called Mr. Peterson and asked him if the dog was taken to the vet and he told me that he is getting paid this week and will take the dog to the vet on Saturday to be checked out. I will do a recheck again next week.
