General Report Comments: The brown and white terrier x male was never taken to the vet because his owner Mr. Saul Petersen told me that it was raining last week Wednesday that's why he couldn't take the dog to the vet. I told Mr. Peterson that his busy making up excuses for not taking the dog to the vet and that I have given him a lot of time to get the dog to the vet. The brown and white terrier x male is still underweight and covered with ticks. I'm not going to issue another as I already issued 2 warnings. I am going to obtain a warrant to remove the dog because the clearly can't look after his dog. Will follow up.
