General Report Comments: Lisa Marie let me onto the property where I observed 1x Rottweiler female with 5x puppies and 1x brown boerboel male. The dogs were behind a gate in the backyard. Lisa Marie could not let them out because the adult dogs are very aggressive. I asked Lisa Marie if some of the puppies has died because someone has found a dead puppy in their garden and they seem to think that the puppy comes from this address. Lisa Marie said that none of the puppies has died and that they would never dispose of a dead in someone's yard. All the dogs looks healthy and in good conditions. Water, food and shelter was also observed. Nfa until further notice.
