General Report Comments: Upon arrival, I was met by the owner, Andrew. The dog was taken of the chain and is now allowed to roam free with the other dogs in the street. The dog belongs to his friend that stays in JHB, but the friend is not coming back for the dog so he has taken the dog in.

With the dogs free roaming in the street, there are alot of communal kennels, sheltered areas where the dogs can seek shelter during adverse weather condituons, however, Andrew stated that he will get a large kennel from his friend in Langebaan so the dogs can have a sheltered area on his property as well.

The owner complied with the warning initially issued.

There are no APA contranventions and no further need for intervention .

I will just do a final check in a few weeks time to ensure continious compliance.
