CHECKLISTS

General Report Comments: I did a recheck today and I found that the owner of the was not at home as I knock at the gate I heard noise of the dog coming from the small toilet at the back and the neighbors kids confirmed that the dog is locked up there and her mother is complaining about the noise of the dog. I left the notice to comply for the owner to release the dog in that small place they kept him or put him on the running chain or make the chain longer within 4 days.
