General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a collar. I arrived at the property and Zain Lee welcome me to the property and I introduced myself and the reason I was there. I saw the dog on the short chain with no collar.
I spoke to the owner of the dog that he must make the running chain and provide the dog with a collar and I showed him some pictures of dogs without a collar what is happening to the skin. I left the notice to comply for the collar and the running chain will recheck after 7 days. Water and shelter was observed and the body condition of the dog is acceptable.
