CHECKLISTS

General Report Comments: I did a recheck today and I found that the owner of the dog has complied they provided the dog with a shelter. I arrived at the property and Mr Cecil welcomed me to the property and he told me that that they moved the dog to his family in capricorn street because they are busy finishing up the gate and the dog is not accepting any person to the yard.
I saw the kennel they built and the roof they put it on NFA.
