General Report Comments: Natalie let me on the property. I saw 2x terrier dogs loose on the property. Both dogs is in acceptable condition. Natalie told me that the dogs are becoming a problem because their property is not fenced and the dogs goes out and cause havoc in the neighborhood. Water, food and shelter was observed for the dogs. I tried to contact the complainant to tell her that she must contact Law enforcement as there is nothing wrong with the dogs on the property and the dogs is in acceptable conditions. No welfare issues observed. Nfa until further notice.
