General Report Comments: While doing proactive in Riebeeck West, someone stopped me and direct me to a house nearby where there is a dog without hair. I went to the house. I hooted but nobody came out. The property is not fenced. I saw 1x brown pitbull x female lying in the front. The dog has severe mange and has almost lost all her fur due to the mange. Water and shelter was observed. Body condition is not acceptable. I issued a 24 hour warning to get the dog to the vet. Will follow up.
