General Report Comments: I did a door to door at the property and I saw lot of chickens on the property. I arrived at the property and Mr brunlin welcomed me to the property and I introduced myself and the reason I was there. He accompanied me while inspecting the chicken run. I saw dirty water and I told him to tell the owner that is not acceptable and I saw old feaces it shows the place was not cleaned for a long time. I left the notice to comply for the owner to provide clean water everyday and clean up the feaces around. Will recheck after 7 days.
