General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a collar. I stopped by to speak to the owner of the dog and as I was walking around the property and knocking I saw another dog on the short chain with no collar.
The second dog has a shelter but she can't reach it. I left the notice to comply for the collar and the running chain and they must provide water all the times. Will recheck after 7 days.
