General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a shelter. I stopped by to speak to the owner of the dog about the condition of the dog. I asked why is the dog on the chain without a shelter.
She said that the dog had one and the dog broke it and I said they must provide the dog with a shelter because of the bad weather we are having. She said she will ask someone to build it again.
I left the notice to comply for the shelter and the running chain because the chain is not long enough. I will recheck after 7 days.
