General Report Comments: I did a door to door at the property and I saw a chicken koo and I stopped by to speak to the owner of the chickens. I arrived at the property and Mr Alfred welcomed me to the property . I explain to him why I was there.
He took me to the chickens and I saw how he made the koo and I also noticed that the was no water in the two bowls there. I told him to put water immediately and he went to in to get water and he showed me his feed for the chickens. Will recheck after 7 days if he still remember to put water for the chickens.
