General Report Comments: The owner contacted me and said that he wants to surrender the dog to the Spca because he does not have money for a vet. Upon arrival there was no people at home and I contacted Ryan the owner to tell him that there is no one at home. Ryan said that I can go onto the property and take the dog, I went inside but the dog showed some signs of aggression. I contacted Ryan again and told him that I'm unable to load the dog. Ryan said that he will arrange for someone to be at home tomorrow so that I can take the dog. Will follow up.
