General Report Comments: Chesnay let me onto the property where I observed a white and brown terrier x dog on a long chain with a collar. I asked Chesnay about the shelter and she told me that as I can see her boyfriend Hagan who is the owner of the dog got some pellets and wooden posts to make a kennel. I did saw the pellets stacked in the yard. I asked Chesnay when does Hagan plan to make a kennel and she told me over the weekend because his working during the week. Water was observed. I issued a warning to provide the dog with shelter within 5x days otherwise further steps will be taken. Will follow up.
