General Report Comments: Upon arrival, I was met by Anetta. Anetta send a picture of the warning to her son, the owner, who asked for an extention. He is currentlty in Lamberts Baai and still making his way to St Helena. He will be here by Friday and will take the dog himself to the vet in town. I physically inspected the dog and saw the limp is less. There is no heat, or swelling. When I pressend on the leg the dog the not respond and showed no signs of pain.

I granted the extention and advised that I will follow up next week monday.

The other dogs were tangeld in their running chain, when Anetta saw this she immediatly made them loose and sorted out the tangle. The other dogs are in good condition with no veterinary or health concerns.

I will follow up next week.
