General Report Comments: While doing door to door in Silvertown I came across a white and brown terrier x male with an injury to his eye. I asked the people in the street who the dog belongs too and they took me to the address. I was met by the owner Nondiliseko. I asked her what happened to the dogs eye and she told me that someone has hit the dog. I told her that the dog needs veterinary treatment. Nondiliseko told me that she don't have money for the vet. I convinced Nondiliseko that she must surrender the dog to the Spca tonprevent further suffering . Refer to admission D5699. Nfa until further notice.
