General Report Comments: The dog named Bixie is on a very short chain without a collar. The chain is about 1meter long. The chain is entangled because of the non availability of a swivel. The living environment is clean. The dog is not sterilized and I educated the owner on the importance of having a dog sterilized. The dog's body condition is fair and acceptable. I observed water and shelter. I issued a Notice to comply advising the owner to provide
(1)a collar
(2)a swivel
(3)to remove the dog from the short chain
