| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | The property is not properly enclosed |

General Report Comments: The owner did nothing to sort out the welfare concerns that I observed and stated in the Notice to comply that I issued on my first inspection. The dog is still on a short static chain with a collar. There is no shelter available for the dog. The living environment is clean. I didn't issue another notice to comply as this was not my first time at the property. Inspector October is going to do the recheck
