General Report Comments: I saw 1x brown adult male dog with a prolapse roaming the street. I asked the people in the street if they know who the dog belongs too. I found out who the dog belongs too and went to the owner. I told the owner that the dog needs veterinary treatment immediately. Davy told me that he is jobless and doesn't have money for a vet and decided to surrender the dog Demon. Refer to admission D8307. No other dogs on the property. NFA until further notice.
