General Report Comments: I saw 1x brown terrier x dog roaming the streets, I could se that the dog has mange. I followed the dog to where she stays and asked the neighbor if she knows the dog and she replied yes the dog belongs to Miena Toontjies who is the owner of the house where the dog just went in . I could jot see if the dog has water or shelter available. I issued a warning to provide the brown terrier x dog with treatment for the mange or to surrender the dog.
