General Report Comments: As I was in court the entire day, I asked FO Mathabela to honour my meeting arrangement.

Mathabela went to the property and saw the 2 dogs. The dogs are in good condition, no veterinary or health concerns. There are 2x large kennels on the property which provided adequate protection against the weather elements.

Dogs have sufficient provision of food and are fed 2x day. Early morning and late.in the afternoon.

This appears to be a neighborly dispute.

No APA contraventions observed during time of inspection .
