General Report Comments: I saw 1x tan terrier x male on the property. The dog is very thin and covered with ticks. Dampies Minaar who is the owner of the property came out and told me that the dog belongs to his son. I asked Dampies why the dog is in such a condition and that it is unacceptable for the dog to be in such a state. I issued a warning to get the dog to the vet within 24 hours. Will follow up.
