General Report Comments: I saw 2x dogs on the property. The black and white pitbull is on a short chain without any shelter and the brown and white pitbull is on a long chain. Both dogs has hosepipe collars. The brown and white pitbull is underweight. Water was observed. I issued a warning to provide the black and white pitbull with shelter and to extend his chain or to put him on a running chain. I also stated on my warning that the brown and white pitbull must be provided with adequate food on a daily basis and that the dog needs to be dewormed. Will follow up.
