General Report Comments: I was met by Mrs. Goliath who is the owner of the tan puppy that I saw inside the yard. The puppy is in acceptable condition. I asked Mrs. Goliath when last did they deworm the puppy and which food are they giving to him. Mrs. Goliath said that the puppy was dewormed recently and then she went inside to get the puppies food,she came out with adult dog food. I educated her on what food she must provide for the puppy. Mrs.Goliath said that she will buy the food as soon as she get her pension. Water,food and shelter is available. The puppy is also loose on the property. Will follow up.
