General Report Comments: I did a door to door at the property and I saw 2 dogs on the property and 1 dog was limping and I stopped by to speak to the owner of the dogs. Mr Manfred came back from the hospital he found me standing outside his property and I explain to him why I was there.
He said he will take the dog to the vet on Thursday morning because he didn't have money to hire the car to take the dog to the vet and on Thursday the vet will be in hopefield . I left the notice to comply for the owner to provide the dog with a veterinary care. Will recheck after 4 days.
