General Report Comments: After receiving a complaint from Nicole claiming that the dogs does not have shelter and they sleep on the lawn I went out to do an inspection. The owner of the house Mr Gordon Van De Heever was not at home and I spoke to his son who introduced himself as Jayden. Jayden took me to the back of the property where there is built-in kennels. I observed a blanket and water. The body condition of all the dogs is fair and acceptable. The living environment is clean. Jayden informed me that the puppies don't sleep in the kennel as it is winter and cold so they sleep inside the house and during the day they are outside. I explained this to the complainant and she confirmed that she didn't know that there was shelter available at the back and she also thought that they bought two puppies yet there is five puppies whose mother is Sky. There is no welfare concern
