General Report Comments: Upon arrival I was met by Osvaldo Lefleur and granted access to the property. I told Osvaldo why I'm here and need to see the dog in question. Osvaldo took me to the back of the property where I observed 1x brown and white female pitbull on a short chain without any shelter and she does not have a collar. I pointed out my welfare concerns to Osvaldo and educated him on why a dog needs shelter, why the chain is to short and why the chain around a dogs neck is not acceptable. Osvaldo listen to what had to say and had a lot of excuses to why the dog does not have a kennel and why they need to chain her and that the collars always break because Juwels the pitbull female is so strong, after listening to Osvaldo excuses I proceed to issue a warning to rectify the welfare concern that I have just discussed with him. Accept for Juwels living conditions, her body condition is acceptable and does not look like she are being denied of water and food. Will follow up.
