CONFINEMENT OF ANIMALS	Free roaming - in property

General Report Comments: There was no people at home but I could observe one female Boerboel. The dog's body condition is fair and acceptable. A neighbor came out of her house after seeing me and informed me that the owner lives in Cape Town and she is the one looking after the dogs. After contacting the complainant she informed me that the body condition is good but she has never seen the dogs being fed. There is no welfare concern

ACTIONS

NO ACTION REQUIRED

REPORT OUTCOMES
