General Report Comments: The female dog with the puppies on the one side of the house is still on a long chain with a collar. The puppies are roaming freely on the property. Water and shelter is available. On the other side of the house the other 2x dogs chains are tangled. Both dogs have collars. It does not look like the chains have been extended. Water and shelter is available and both dogs body conditions is acceptable. I issued a warning W5057 to put both dogs on runners or to extend the chains. Will follow up.
