General Report Comments: Sussie the owner let me on the property to do an inspection. I told Sussie that I'm here because we are concerned about the puppies because the mother dog called Roxie was brought to the Spca as a stray and we have just found out where she stays. Sussie took me to the garage where I observed a brown Daschund female that also had puppies recently. Sussie told me that the Daschund puppies has died and that the Daschund is now feeding Roxies puppies because hers died. I saw 8x puppies lying inside a duvet. The Daschund went under the duvet and fed the puppies. Water, food and shelter was observed. No welfare concerns was observed. Nfa until further notice.
