General Report Comments: I did a door to door at the property and I saw 2 dogs on the short chain and short rope and stopped by to speak to the owner of the dogs. I arrived at the property ms doelin welcomed me to the property and I spoke with her that they must provide the brown dog with a collar and extend the rope of the white and tan dog.
I left the notice to comply for the collar and the extent of the rope. Water and shelter was observed and the body condition of the dogs is acceptable will recheck after 8 days.
