General Report Comments: Upon arrival, I was met and granted access by the owner, Melvin.

Melvin showed me the receipt and the empty containers for the Simparica he bought. He also bought tick and flea shampoo. (See receipt attached).

According to Melvin the dogs are already looking better, as I did not initially see them, and the photos are a bit unclear I can't comment if there is improvement.

I saw the 2 dogs and their skin conditions appear to be mild, very early stages.

The owner complied with the warning issued by Insp. October.

I will follow up in 30 days to verify progress.
