CHECKLISTS

General Report Comments: Upon arrival, I saw the property in the same state as last week. I asked the opposite neighbor, Jolene (33) when Wesley was last here, and she advised that it has been weeks. To her knowledge he moved and took the dog with. This corresponds with what the other neighbor told me last week.

I will close the case for now as the owner moved and the dog is no longer on then property, however I will keep an eye out for when I am in the area.
