CHECKLISTS

General Report Comments: Upon arrival, I was met by a man who identified himself as Andrew, Zacharia's brother (the owner). Andre advised that Zacharia is in toen with his wife. I asked about the dog and Andrew stated that the lady feom CARE was there yesterday morning and took the dog, and that the dog did not come back.

I called Margi, from CARE, who advised she took the dog to St Helena Bay Animal Clininc and had the dog euthanised as the owner could not afford the amount the vet was asking , and the owner agreed that the dog should then rather be euthanised. The dog was euthanised yesterday on CARE's account.

I asked if the dog was tested, Margi said no as the vet would have billed for tests but suspects the dog had billiary.

The owner has no other animals - case to be closed.
