General Report Comments: Upon arrival, I was met by Troy, the owner.

The chain has been extended to 6m. The dog has a 180 degree radius of movement and has a total of 12m roaming space. The dog has a suitbale material collar fitted. The dog is in good condition with no veterinary or health concerns observed. The dog has access to a large wooded kennel which is providing adequate protection against the elements.

I am confident in closing this case as there are no further APA contraventions .
