General Report Comments: There was no people at home and I spoke to Ethan who lives at house number 58 Renonkel street. He informed me that the owner is Lock Snel and he is working. I saw the 2 dogs running in the street. The dog named Mia has a skin problem which is in it's early stages and she is also underweight. The body condition of the other dog is fair and acceptable. I observed water and shelter inside the property. I issued a Notice to comply advising the owner to seek treatment for the skin problem and to improve the body condition of Mia.
