General Report Comments: I was met by Anna Jacob's who is the owner of the 2x dogs on the property. I asked Anna if they have managed to get some treatment for the skin problem that the dogs have and she told me that she is still waiting for someone to bring her dog dip. I saw that they made a makeshift shelter which is not adequate. Water is available. Both dogs body conditions is fair. I told Anna that I'm going to issue another warning to get treatment for the skin problem and to provide adequate shelter because the makeshift shelter is not adequate. I issued warning W5085 and will follow up.
