General Report Comments: I was met by Anna who is the owner of the 2x dogs. The shelter has been fixed and is now adequate. I asked Anna if she has given any treatment for the skin problem the dogs have and she told me that she does not have money to buy the treatment. I told Anna that I will have to obtain a warrant because I can't leave the dogs in such conditions. Anna told me that she will speak to her husband because the dogs actually belongs to him. I told Anna to give me a call if they decide to surrender the dogs. Will follow up.
