General Report Comments: Mrs. Mehlo was at home upon my arrival. Tigers chain has been extended to 8 meters long but he does not have a collar. Mrs. Mehlo told me that she bought a collar but Tiger has broken it and she showed me the collar. I told her about the pipe they can use and she told me that her brother brought her a piece of pipe but he will have to put it around Tigers neck because she can't handle him. Water and shelter is available and Tiger is in acceptable condition. I told Mrs Mehlo that I will come and do a recheck on Friday again to see if the pipe has been used. Will follow up.
