General Report Comments: I went to the back of the farm houses to the house on the end and saw a man sitting on the porch. I introduced myself and the man introduced himself as Johannes Damon. I asked Johannes if he has any dogs and he took me around the house near the chicken coop where I observed a black collie x male named Skollie on a +-6meter long chain with a collar. Upon closer inspection I that Skollie has a skin problem and asked Johannes if he is using any treatment to treat the skin problem. Johannes said no because he does not have money for a vet. I asked Johannes if he wants to surrender the dog and he said yes. Skollie was surrendered. Refer to admission D8341. No other dogs on the property. Nfa until further notice.
