General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Dwylan.

Dwylan brought Danger out from inside the house, as danger sleeps inside the house. Danger already appears to have gained weight as the ribcage and spine is just barely visible. Dwylan is feeling 2x day and has included cooked rice into Danger's diet, which is evidently effective.

I will follow up next week again, and thereafter by weekly to monitor weight gain.
