CHECKLISTS

General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I observed the dog free roaming inside the property and no sign of the chain. The dog was jumping in and out of the property while I was present, not sure if they are still busy installing the runner and made the dog oose in the interim.

The dog currently still has access to his large wooden kennel.

I will follow up next week again

ACTIONS

NO ACTION REQUIRED

REPORT OUTCOMES

Follow-up inspection to be conducted 2024-07-24
