General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Cynthia.

I observed the same dog kept in the same condition as previously.

Cynthia claimed to be in Eastern Cape for the past 3 weeks and only returned home on Wednesday. She asked a neighbor to care for the dog while she was away.

Cynthia advised that she could not comply with the warning yet, as she requires more time. She also stated that she does not have money now to buy the resources.

I explained to Cynthia that she will have to ask around for assistance as the dog is her responsibility and the current length of the chain is too short. Cynthia advised that she had the dog from 2020, and that since then the dog has been kept like this and she does not think the dog mind. I made it clear to her that she must uplift the dog's welfare, as the current space available is not suitable. After a lengthy debate she understood and advised that she will try, but asked till for time till after the end of the month.

I issued a warning:

1. Either extend the current chain with 3m or install a running chain for the dog.

14 days granted.
