General Report Comments: PROACTIVE

Upon arrival, no one appeared to be home as there was no response to my presence.

I observed 1x xbreed dog chained in the front of the property under the carport. The chain is approximately 2m long, attached to a material collar. The dog did not have adequate protection against the weather elements or access to drinking water.

Warning issued:

1. Provide drinking water at all times
2. Provide adequate shelter
3. Place the dog on a runner
