CHECKLISTS

General Report Comments: I could not find a Bolletjie street in Abbotsdale, I called Janika and she told me that she is in Abbotsdale. I met Janika at the Clinic where she was busy giving rabies to animals. I told Janika that I can't find a Bolletjie street and someone that was standing there said that it's Boltney street not Bolletjie. I drove up and down in Boltney street but could not find the horse with the injury to the mouth. I went back to Janika and told her that I could not find the horse. Janika told me that she will find out what the right address is and then she will call the Spca again. Nfa until further notice.
