General Report Comments: There were no people at home. I saw 2x pitbull dogs on +-6 meter long static chains. None of the 2x dogs had collars around their necks and is tied with the bare chain. Water and shelter is available. Body condition of the 2x dogs is acceptable. Their living area is also clean. I issued warning W5092 to provide both dogs with collars to prevent the chain from shaving the dogs neck. Will follow up.
