General Report Comments: The 2x terrier x dogs on the property has gained a bit of weight since the last time I did an inspection after they had been to the vet. I told Johanna that she must get the dogs puppy food because the food she is giving to the dogs does not have the right nutrients and proteins in,Johanna buys the cheap brand food because that's the only food she can afford because she is a pensioner . Johanna told me that when she gets her Sassa grant she will buy the dogs Trusty puppy food . I will do a recheck with 2x weeks again.
