General Report Comments: I was met by the owner of the dog Mr. Alpheus Loubser. We went to the side of the house where I observed 1x brown pitbull female Tracey on a +- 10 meter long chain with a collar. Water and shelter is available. Body condition is acceptable. Tracey is on a chain because the property is not fully enclosed and she is aggressive towards people and other dogs. Living area is also clean. No welfare concerns was noted.
